Dear Community Partner,

Thank you for taking a moment to learn more about the Loula Foundation and the mission that drives our work. What began as a simple desire to uplift families in our community has grown into a movement rooted in compassion, dignity, and meaningful support. Every day, we strive to stand in the gap for those facing hardship, offering resources, relief, and hope when it's needed most.

As we continue to expand our programs and deepen our impact, we are seeking partners who believe in strengthening families, empowering individuals, and building a community where no one faces their challenges alone. Your sponsorship directly fuels this mission — helping us provide essential assistance, emergency support, and life-changing outreach to the people who need it most.

By joining us as a sponsor, you become part of a legacy of generosity and service. You help create real, measurable change. And you stand with an organization committed to showing up with heart, integrity, and unwavering dedication.

We invite you to review the enclosed sponsorship opportunities and consider how your support can make a lasting difference. Together, we can continue to grow the Loula Foundation's reach and ensure that every family we serve feels seen, supported, and valued.

Thank you for your time, your consideration, and your belief in the power of community.

For Stronger Families,

The Loula Foundation

Loula Gala Honors The Courvilles

It all started over 20 years ago from the family kitchen of Big Rich and Chelle Courville. Big Rich learned the art of Cajun cooking from his great uncle and aunt in China, TX, and honed his skills cooking for large groups through the Boy Scouts.

Bobby, Jami, Chelle, Jesi and Big Rich

At the core of their philosophy is "love thy neighbor." This commitment to community was never more evident than during the Kerr County flood, when Big Rich and his team launched 409 Cares, providing relief and hot meals to those in need.

As the business grew, Big Rich's brother Bobby joined the team, and together they built Courville's into a well-known event venue and catering service in Southeast Texas. What started as a passion for feeding people became a full-scale operation known for its heart, flavor, and hospitality.

Today, Courville's remains a family-run business, with their daughters and extended family all playing a role. They are grateful for every opportunity to serve their community and excited for what the future holds.

ANCHOR TO HOPE
